# Parker Guitars Holding Artist Showcase At The Redrum Club In Austin

July 15, 2006

Parker Guitars endorsing artists Jason Davis, Vince Genella, and Dave Isaacs will perform a showcase at Redrum Club in Austin on Saturday, July 15th. The three guitarists will be in Austin to attend the NAMM (Nat'l Association of Music Merchants) show as representatives and product endorsers of Chicago-based US Music Corporation, which manufactures and distributes Parker guitars as well as Washburn guitars, Randall and Eden amplifiers, and Mojo Strings. The music will cover a wide stylistic spectrum, from ambient sounds and futuristic shred-fusion to roots-based blues, rock, and cool jazz. Dallas-based Jason Davis produces TV soundtracks for BMG Music, and his work has been heard on "Saturday Night Live", "The Tonight Show with Jay Leno", "Extra", "Access Hollywood", among others. Vince Genella writes, performs, teaches guitar, and offers clinics at trade shows and music stores all over the country. NYC native Dave Isaacs is a busy freelance stage and studio player in Nashville and has just released his fifth CD, Old King Crow. The Redrum Club is located at 401 Sabine Street in Austin, and can be reached at (512) 469-0691. The show starts at 6 PM and admission is free.
